

Remarks/Arguments

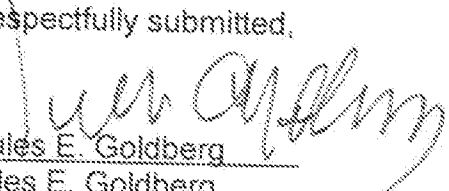

This is in response to the office action mailed March 29, 2011. The examiner's indications that claims 8-10 and 12 are allowed and that claims 6 and 7 contain allowable subject matter are appreciatively acknowledged.

As a result of the foregoing amendment, claim 6 has been cancelled and the limitations thereof have been incorporated into claim 5. Claim 5 has also been amended to correct minor grammatical errors therein. Accordingly, in light of the examiner's indication of the allowability of claim 6, it is believed that claim 5 as amended is now allowable as is claim 7 since it depends from claim 5.

Inasmuch as all of the claims are have been amended to comply with the examiner's indication of allowability, it is submitted that this application is now in condition for allowance and favorable reconsideration and prompt notice of allowance are earnestly solicited.

Respectfully submitted,
